## What is your impact?

**Impact:** have a strong effect on someone or something.

Have you ever thought of it? It's not something we usually have in the forefront of our minds and thoughts but take a minute now and think about the impact, the strong effect, which you have on those around you.

You might notice first the impact that you have on those closest to you but if we go beyond our immediate neighbors – how far does your reach go?

I have three boys: Blake (8), Rhett (2) and Hunter (1). It's predictable, and laughable, because when I do something Blake wants to do it. When Blake does what I'm doing Rhett will be close behind. When Rhett follows Blake it is without question that Hunter is on Rhett's tail. I say it's laughable but that is with the silly stuff. **If they are following with the silly stuff, I have to believe that they will follow the big stuff as well.**

Think about how you are speaking, interacting and serving those around you. You are having an impact on their lives. Positively or negatively, our impacts on our neighbors can be long-lasting. In a time where chaos and negativity seem normal, our challenge for you is to intentionally leave a positive Kingdom impact on your neighbor.

# Fall Work Day

## NOVEMBER 7<sup>TH</sup>, 2020

On Saturday November 7<sup>th</sup>, 2020 at 9:00 AM, we plan on having a workday at the camp. Hotdogs over the fire for lunch! Some of the projects on the list to do are:

- Tree cutting, trimming, clean-up
  - We have many dead trees that need to be cut down before they fall down and/or onto something else.
  - We will need people with chainsaws in order to get this done.
  - We also will need people without chainsaws to help clean the mess up.
  - Bring rakes, chainsaws, and a way for you to haul some firewood home.
- Old Office building will be coming down.
  - We will be tearing down the old office building as well.
  - Bring tools to help with destruction of building.

**Please let us know if you plan to attend. Also, dress and prepare accordingly for working outside and for the cool weather of November. Last year, the temp was 52 degrees for La Monte during the day.**

# Missionary Cabin

2 DAY GETAWAY

It recently came to my attention that some have not been able to see the missionary cabin yet. How about some picture and future plans?

Our missionary cabin is a 2 bedroom (with 2 beds in each) and 1 bathroom cabin. It has a separated his and her sink from the rest of the bathroom. As you enter, you walk into the kitchenette and dining area with the living area to your left that also comes with a futon couch that turns into another bed. The cabin is fully furnished and also is equipped with wifi.

In the coming weeks, we will be putting a fire-pit in the back along with a grill. Open for rentals throughout the non-camp season, it'd be a perfect place to unwind and relax!

Check out the pictures and contact us if you want to rent it out for a 2 DAY GETAWAY.

## CAMP NEWS

### The **HOME** tour:

This Fall, Winter and Spring we are trying to visit each of our supporting churches. As you can see to the right under our WCCSC Fall Calendar, we have a couple churches planned for visits coming up and have already been able to attend Olathe Christian Church on September 27th.

Visiting so many churches in so many different places kind of makes you feel like you are on tour. With not being able to attend camp this past summer, many were not able to make it back home here at West Central. It reminds me of when we lived further from family and not able to see our family on the holidays. We missed home. We know many of you have missed West Central, home, and this feels like we are going home, your church, to visit.

Be on the lookout for email, snail mail, phone call, or a message from us about when we can visit your church to present, speak or just be there worshipping alongside you. We can't wait!

---

Again, we want to provide multiple ways that you are able to partner with us in this ministry!

### PRAYER PARTNERS

Being a prayer partner is just that – partnering with us in prayer. We hope to have you alongside us in prayer for the ministry of West Central, those that attend West Central and for those that support West Central. Will you pray with us? Let us know so we can send you a small prayer reminder to you!

### MONTHLY GIVING

We are also very thankful and blessed to have those that have chosen to support West Central financially. Those monthly gifts allow WCCSC to continue to plan, prepare and provide so many opportunities for the Gospel to be presented throughout the year! Thank you for your continued support and the impact that you and your gifts are having!

### GRACE GIVERS

Grace Givers has been set up to aid the camp when in special need. Those that have signed up to be a Grace Giver have chosen to be called on in times of special need. As a Grace Giver you may be called on no more than three times per year unless you choose to give above and beyond that. We are currently updating our Grace Givers list and contact information. **If you are currently a Grace Giver OR would like to become a Grace Giver, please send us your updated information.**
