Seth & Carol Tyler

Seth and Carol Tyler are the new camp managers. The Tyler family moved onto the property in August. Seth and Carol have three boys. Blake, 8, is in the third grade. Rhett, 2, is a handful! Hunter, 1, is the kid with the most chill in the world. Seth grew up in the area while Carol grew up in Bowling Green, Missouri.

While they started their ministry here in August, they have been serving WCCSC for much longer than that. Seth grew up attending West Central starting with Day Camp and continued through the years until he was out of school. Seth has served as faculty many summers for multiple ages and served as Dean of several high school and junior high weeks for many more summers. Carol has also served as faculty at WCCSC.

Seth has been serving in ministry in some fashion since 2001. Most recently, he was serving in Illinois as youth minister at Burnside Christian Church.

“We are so excited to be in this ministry at West Central Christian Service Camp! We look forward to seeing all of you whether during the camp season, church visits, retreats or while we are out and about. West Central is a special place to us, you and the thousands that have attended over the years. We are excited to serve alongside you and can’t wait to see what God has planned through WCCSC!”

THANK YOU TOM & DUONNA

How do you say goodbye? Can we just say that we'll see you later?

It's hard to leave a ministry, family, friends, church family and those that you've seen each summer for years and years. We here at WCCSC are going to call it a "we'll see you later" for when you visit us and not a goodbye forever!

We also wanted to say THANK YOU for the many years of service to West Central. The years dedicated to our ministry has proven fruitful. A lot has changed over those years since you began your ministry here and your hard work has not gone unnoticed!

Tom: for your dedication to the property, the camp seasons (with all that they entail) and to this ministry as a whole – Thank you!

Duonna: for your countless hours in the kitchen, the flower gardens, the hospitality and the "clean up song" – Thank you!

To the both of you: We can say "thank you" all day each and every day but more than that - we really want to say...

We Love You and Appreciate You!

**You have impacted so many lives
while you were serving at
WCCSC! Thank you for being such
faithful servants!**

WCCSC ALUMNI HIGHLIGHT

Do you know someone that has been forever impacted by their time spent at West Central? We want to highlight those students that have attended WCCSC and have gone on to make forever Kingdom impacts in the lives of those around them.

We want to know about them!

Maybe they now are in the ministry in some form. Maybe they have not been called into the ministry full-time but volunteer at their local church. Maybe they spend their time volunteering in the community at local shelters, youth homes, youth sports, and/or anywhere that they are bringing forth the Gospel and serve as a Godly role model. Maybe they are now serving as missionaries. Whatever the “maybe” is, we want to know about them!

How will this work? It’ll take a little time to figure out what this WCCSC Alumni Highlight will look like as it takes shape but it will be as simple as you submitting an Alumni name, their contact information and what work you see them doing for the Kingdom of God. It’s as simple as that. We will do the rest if they are chosen for the Highlight. Not everyone will be able to be highlighted but to be nominated will be an honor for them as well!

There have been countless lives changed by God here at West Central and we are so honored to be a part of that; to be used in such a way to further the Kingdom of God is special to us.

HOW TO SUBMIT A NAME FOR OUR WCCSC ALUMNI HIGHLIGHT

As we receive suggestions for our WCCSC Alumni Highlight, we ask that you provide for us:

- Name of Alumni
- Work that they are doing to further the Kingdom
- Contact information for Alumni submitted.

Please send all Alumni Highlight nominations to: westcentralcamp@gmail.com

CAMP NEWS

The coronavirus has impacted the way that our world has functioned. West Central has not escaped that reality. We rely on our churches to keep our camp in existence. West Central has been “my church camp” to thousands of students and we hope for thousands upon thousands more! If we look closely at any situation we will find God present in each one. Through your continued support we have been able to roll with the circumstances presented but aren’t out of the woods just yet.

Our Insurance bill is still quite large as you read about in the May Camp Lamp. Thank you for your support of West Central! We do ask for your continued support.

We want to provide multiple ways that you are able to partner with us in this ministry!

PRAYER PARTNERS

Being a prayer partner is just that – partnering with us in prayer. We hope to have you alongside us in prayer for the ministry of West Central, those that attend West Central and for those that support West Central. Many underestimate the power of prayer! Our hope is that we, together, will continue to see God’s work on display in the lives of those that attend West Central. Will you pray with us? Let us know so we can send you a small prayer reminder to you!

MONTHLY GIVING

We are so thankful for those that have chosen to answer the call to support West Central prayerfully! We are also very thankful and blessed to have those that have chosen to support West Central financially. Those monthly gifts allow WCCSC to continue to plan, prepare and provide so many opportunities for the Gospel to be presented throughout the year! So many lives have been given to Christ, lives changed and life decisions made because God used West Central. Thank you for your continued support and the impact that you and your gifts are having!

GRACE GIVERS

Grace Givers has been set up to aid the camp when in special need. Those that have signed up to be a Grace Giver have chosen to be called on in times of special need. As a Grace Giver you may be called on no more than three times per year unless you choose to give above and beyond that. We are currently updating our Grace Givers list and contact information. **If you are currently a Grace Giver OR would like to become a Grace Giver, please send us your updated information.**
